

Automatic Transcription

All files uploaded to latakoo are automatically transcribed

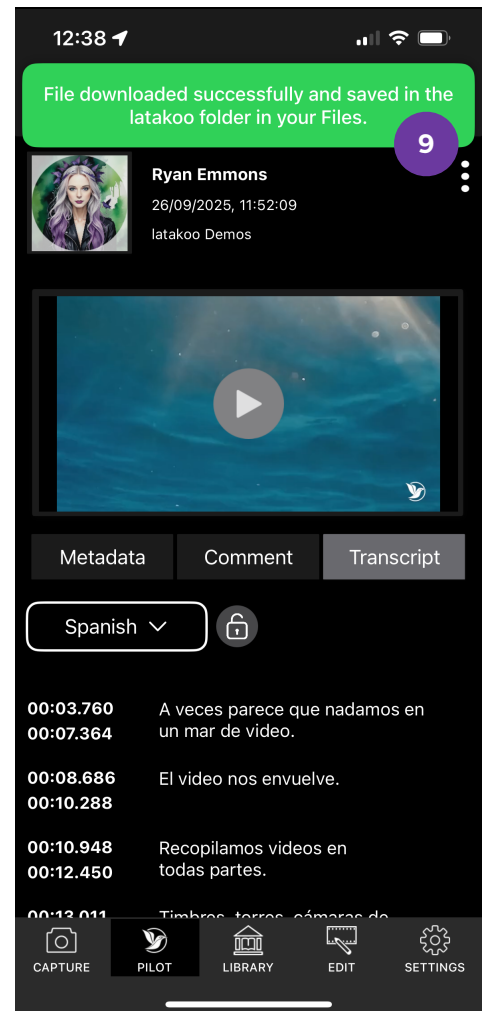

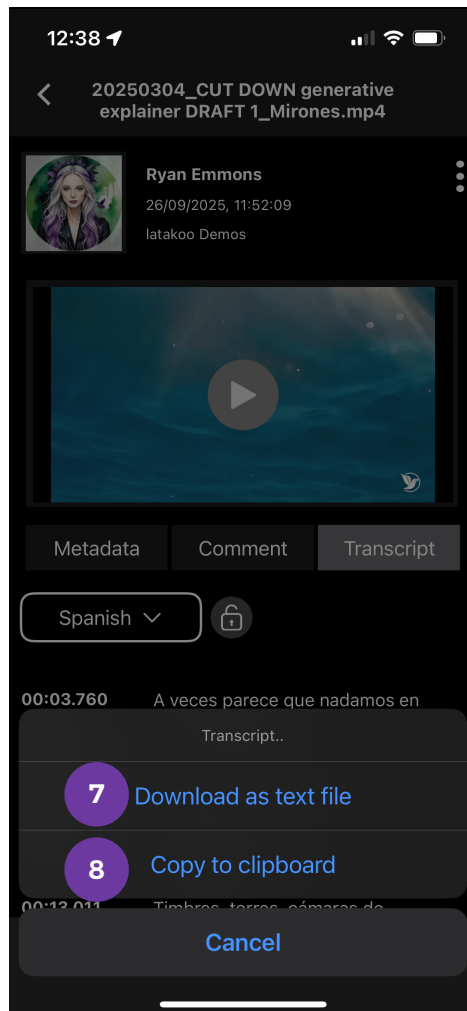

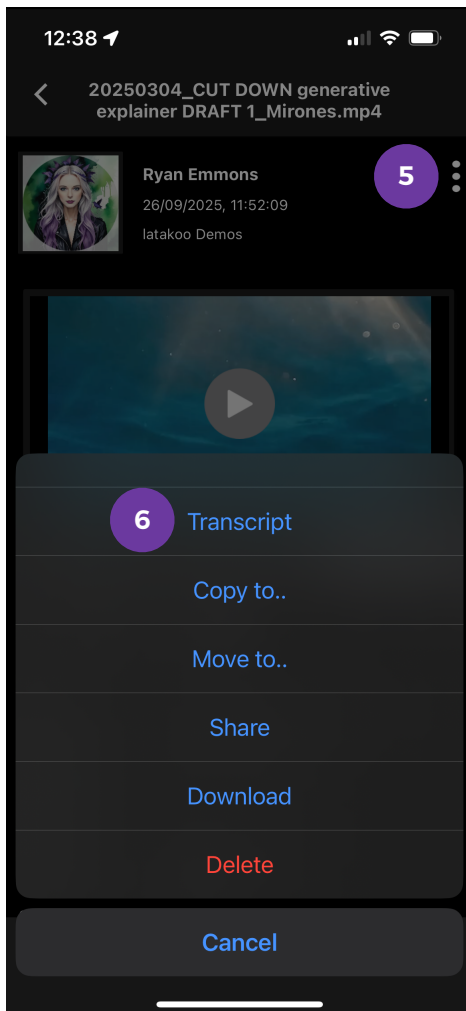

1. Log in to the latakoo Flight mobile app to view all uploaded files
2. If transcription is available, a **check mark** and the word **transcript** will appear; click on it to access the transcription directly
3. The transcript will scroll automatically as the video plays; click the **lock icon** to toggle this feature on or off
4. Click the language drop down menu to toggle between any available translated languages

Download Transcript or Copy to Clipboard

5. Click the **three dot action button**
6. Click **Transcript**
7. To download the transcript as a text file on your mobile device, click **Download as text file**
8. To copy the transcript to your clipboard to paste anywhere, click **Copy to clipboard**

9. You will get a confirmation letting you know the transcript has been downloaded or copied successfully
